BRACELET SIZE GUIDE MEASURING YOUR BRACELETS

1. Select one of your bracelets that fits you well.
2. Lay it flat.
3. Using a ruler, measure the distance between the top of the clasp and the bracelet extremity.
4. Choose a CHANEL bracelet size that is as close to this measurement as possible.

MEASURING YOUR WRIST

1. Cut a string of paper or ribbon long enough to wrap around your wrist.
2. Wrap it around the wrist on which you would like to wear your CHANEL bracelet.
3. Use a pen to mark the point where it forms a circle.
4. Using a ruler, measure the distance from the end of the string or paper to the mark you made.
5. So that the size of the bracelet is comfortable enough for you, add 1.5 cm. You can then add or remove centimeters if you prefer wearing it tight or loose.
