WATCH SIZE GUIDE

Most CHANEL watches can be sized to achieve a comfortable fit. This can be done in a CHANEL Boutique.

For specific cases such as the Première and Jewelry Watch models below, we invite you to measure your wrist size and refer to the corresponding chart to find your size. Do not hesitate to contact us for advice.

MEASURING YOUR WRIST SIZE

1. Cut a strip of paper or ribbon long enough to wrap around your wrist.
2. Wrap it around the wrist on which you would like to wear your CHANEL watch.
3. Use a pen to mark the point where it forms a circle.
4. Using a ruler, measure the distance from the end of the string or paper to the mark you made.
5. Compare your measurement with the chart below to determine your size.
